Purpose of this Guide

Professional Development provides educators with the opportunity to receive continuing education in specific content areas. These opportunities are facilitated by the Ohio Department of Education, Ohio Association Teachers of Family and Consumer Sciences (OATFACS), Ohio Association of Family and Consumer Sciences (OAFCS), Ohio Family, Career and Community Leaders of America (Ohio FCCLA) and additional instruction is provided in cooperation with colleges and business partners.

Who Can Attend?

Education and Training, Hospitality and Tourism and Family and Consumer Sciences educators who wish to improve their professional knowledge, competence, skill and effectiveness are encouraged to attend all sessions related to their content.

Why Attend?

Continuing professional development is an ongoing and continual process throughout an educator's career. Session topics will address changing classroom techniques, standards and resources allowing educators to develop their teaching skills and subject matter knowledge.
