How many years have you been a member of FCCLA?

** All responses on this application are required to fit within the allotted space. Answers are to be kept succinct.*

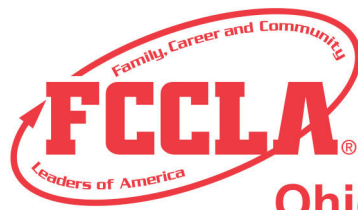

Please explain how receiving a scholarship will aide you in covering costs for your post-secondary studies?

How might you give back to the Endowment in the future?

I plan to attend the following certificated program, technical school, two-year college or four-year college:

My intended field of study will be:

My career goal(s) is/are as follows:

Ohio Endowment

Explain how you have been an active member during your tenure in FCCLA. Relate how you have personally grown and matured by your experiences. Have you been able to address any of your career interests through FCCLA? Address how you may have impacted others. Explain how this was accomplished.

(You may cite examples of: chapter activities, attendance and participation at camps, attendance and participation at district, regional, state or national events.)

Identify and explain leadership roles you may have trained for or participated in, and explain the resulting outcomes for each leadership experience. Were any of your career goals addressed through this process. If so, please explain. (Cite examples of officer position, leadership training, etc.)

Ohio Endowment

Activities other than FCCLA:

School Involvement

Please identify and explain your active involvement in school activities, clubs/organizations, athletics, music groups, etc. Relate how you have personally grown or have been changed by participation in these areas. Identify and relate how any of your career goals may have been addressed via your participation in school activities.

Community Involvement

Please identify your active involvement in your community. Relate how you have personally grown or have been changed by participation in the events. Identify and relate how any of your career goals may have been addressed through your participation.
