CAREER CLUSTERS

- Hospitality and Tourism

ELIGIBILITY & GENERAL INFORMATION:

1. Review “Eligibility and General Rules for All Levels of Competition” in national STAR event manual prior to event planning and preparation.
2. Teams should be made up of up to three participants from the same chapter or state.
3. Eligible participants are members who are currently or have been enrolled in a Hospitality and Tourism program, as determined by their state department of education. Students enrolled in general foods and nutrition courses not preparing them for a career or employment in culinary arts are not eligible.
4. The competition menu and equipment list for Regional Career Development Events will be posted on the Ohio FCCLA website by December 1. The competition menu and equipment list for State Career Development Events will be posted on the Ohio FCCLA website by March 15. The competition menu and equipment list for National Leadership Conference will be posted on the FCCLA national website by April 1.
5. Each entry must post all required documents (as specified below) to their online folder.
6. Chapters must verify accessibility of documents to the public, as Ohio FCCLA will not be able to assist with this verification. Each entry must have the following items posted to their project folder:
 - a. One (1) oral presentation video needs to be available for public view and the URL should be included in the PDF file. Options include:
 - i. Embedded video
 - ii. Video link provided to direct source such as YouTube, Vimeo, or Google Drive
 - iii. Video files which require the reviewer to download are NOT allowed due to their potential size

TECHNOLOGY TIPS

1. Documents must be available and publicly accessible (check settings to ensure they can be viewed outside of the school district network)
2. All files must be clearly labeled using a descriptive file name, e.g. “Leadership – Level 2 – Gonzales.”
3. Be sure to publish all content. Have someone outside of your network check for access. Any document requiring additional access (such as Google doc) will not be able to be reviewed. Only documents that can be opened and viewed by the evaluation team can be scored.
