2. Each entry must post all required documents (as specified below) to their online folder.
3. All projects must be developed and completed during a one-year span beginning July 1 and ending June 30 of the school year and must be the work of the participants.
4. Chapters must verify accessibility of documents to the public, as Ohio FCCLA will not be able to assist with this verification. Each entry must have the following items posted to their project folder:
 - Electronic Portfolio
 - i. Participants must submit one (1) file with all slides, in order for viewing. It must be submitted as a PDF file, and not a downloadable PPT file (multiple scanned images files are not allowed) (Not all evaluators may have access to PowerPoint.)

 - i. Embedded video
 - ii. Video link provided to direct source such as YouTube, Vimeo, or Google Drive
 - iii. Video files which require the reviewer to download are NOT allowed due to their potential size

TECHNOLOGY TIPS

1. Documents must be available and publicly accessible (check settings to ensure they can be viewed outside of the school district network)
2. All files must be clearly labeled using a descriptive file name, e.g. “Leadership – Level 2 – Gonzales.”
3. Be sure to publish all content. Have someone outside of your network check for access. Any document requiring additional access (such as Google doc) will not be able to be reviewed. Only documents that can be opened and viewed by the evaluation team can be scored!
