

FASHION CONSTRUCTION

Career Development Events Information

Fashion Construction is an individual event that recognizes participants who apply Fashion Construction skills learned in Family and Consumer Sciences courses and create a display using samples of their skills. Using new materials, participants construct in advance a garment or ensemble that dresses both the upper and lower body of a child or adult. Garment/ensemble must include at least eight fashion construction techniques. Display finished product along with appropriate accessories. Participants must prepare a display, sample garment, file folder, and an oral presentation. **Levels 2, 3**
