Using the information from the previous chart, explain your leadership qualities & experiences & tell how they would help you be an effective Ohio FCCLA Executive Council member.

I passed out hors d'oeuvres for the State of the school at Groveport high school, which was only done by officers and junior representatives. I have been in a leadership position in my school's marching band for a year and I plan to do it again next year. Our band does many Ronald McDonald House fundraisers every year and I always attend and contribute to it in some way. I competed with Adam Fazekas in the regional level for Hospitality, Tourism, and Recreation, got a silver medal. I have been involved with our sock sales, which donates one pair of socks for every two bought. Because of my junior representative status, I also participated in chapter involvement. Finally I will be attending the State conference this April and I will also be competing at a state level in my FCCLA competition since I made it to state level.
