Using the information from the previous chart, explain your leadership qualities & experiences & tell how they would help you be an effective Ohio FCCLA Executive Council member.

I think with all of my experience as an officer in FFA and with being a representative of the town of Baltimore, OH as Jr. Miss Baltimore pageant, I have a lot of leadership, organizational, and public speaking qualities. For public speaking for pageants, I went up on stage at different Festivals across Ohio and introduced myself and encouraged visitors and guests to come to the Baltimore Festival in August. Then for FFA I was a assistant secretary officer in which I had to lead numerous meetings and publicly reconize different accomplishments during meeting, inductions, and our final FFA banquet at the end of the year. At this banquet each officer would have to give a speech. Then for soccer I was a team captain so I made sure to communicate on the field to make sure everything went smoothly. Then for track I made sure everyone was at their event so we don't get disqualified, encouraged all runners and made sure our teams completed to the best of our abilities. Lastly for club soccer I am one of the team captain so I make sure everyone is attend practices and games so we can figure out where we need to cover if someone is sick or unable to play.
