Using the information from the previous chart, explain your leadership qualities & experiences & tell how they would help you be an effective Ohio FCCLA Executive Council member.

Throughout my experiences with leadership, I have learned and developed a variety of leadership qualities. Through being a chapter officer and the different FCCLA activities I have participated in, I have learned about taking responsibility, staying on task, punctuality, public speaking, confidence, empathy, and parliamentary procedure. All of these qualities would allow me to be an effective Executive Council member by allowing me to think on my feet, speak effectively to present information, participate in business meetings, and relate to other members.

With my other school and community activities, I developed conflict resolution, organization, meeting deadlines, responding appropriately under pressure, goal setting, teamwork, and positivity. These qualities would help me become an effective Ohio FCCLA Executive Council member because I know that I will have many responsibilities as a Council member that need to be completed by set deadlines, remain positive in stressful situations, and set goals for myself.
