Using the information from the previous chart, explain your leadership qualities & experiences & tell how they would help you be an effective Ohio FCCLA Executive Council member.

Throughout my time in FCCLA I have had to overcome a large amount of adversity. I feel as if being put through these situations where I needed to put my best foot forward have helped shape me into being the leader I am today. Whether it is having to weave my way through a tough voting delegate session by using the Parliamentary Procedures skills that I have gained or having to step down as an officer within my STAR event putting my team above my values.
