Using the information from the previous chart, explain your leadership qualities & experiences & tell how they would help you be an effective Ohio FCCLA Executive Council member.

My leadership qualities are integrity, accountability, communication and more. My experiences go from catering events to competing at the state level for Culinary Arts. These experiences would help me be an effective Ohio FCCLA Executive Council member because I can show others how to apply these qualities in their everyday lives in and outside of FCCLA. I can show others how to overcome obstacles such as their fear of being out in the world and showing others what they can accomplish if they try.
