Using the information from the previous chart, explain your leadership qualities & experiences & tell how they would help you be an effective Ohio FCCLA Executive Council member.

I am currently my chapter's Vice President, and I have taken over the responsibilities of Vice President of Public Relations due to the person moving to a different school. As Vice President, I help lead meetings and I also assist with planning and the execution of all events. I am also in charge of our school's FCCLA Instagram. This includes making posts to help spread the word for events we are hosting or congratulating members for their accomplishments.

Additional Leadership roles I have taken are as a member of the student council. In the student council, we have committees for each of the projects we work on during the school year. This year, I have been head of many committees. This requires me to coordinate each aspect of the event, including working with everyone involved, and making sure everything gets done on time. For example, for homecoming, I was the head of the homecoming football committee. This included getting everything for the homecoming court, ordering the flowers, making sure the raffle was going well, and making sure the homecoming court knew what was happening and getting them ready beforehand. This experience will help me be an effective Ohio FCCLA executive council member because it takes a lot of work to be in a leadership role, and I have already had the opportunity to take charge.
