ADULT CONDUCT FORM

The Ohio FCCLA Board of Directors requires each adult/chaperone attending Fall Leadership Training to read and complete the expected Adult Conduct Form as part of the attendance requirement.

Ohio FCCLA offers leadership training to those students with a career objective in Family and Consumer Sciences and related career fields. Individual conduct and appearance are part of this training and becomes apparent at Fall Leadership Training. Advisers/chaperones set an example of expected behavior from their students. For this reason, the following Adult Conduct Form has been established for adults attending Fall Leadership Training.

It is the responsibility of each participant to see that proper conduct is adhered to while attending Fall Leadership Training. Violations of these practices and procedures will be dealt with accordingly by FCCLA State Staff and the local school district. This Adult Conduct Form is in addition to any guidelines established by the school district and the Licensure Code of Professional Conduct for Ohio Educators.
