I am a dedicated FCCLA member and the current FCCLA Historian for my chapter (2025-2026). I have completed a Power of One, competed in the CDE Sports Nutrition twice, and National Programs In Action this year. Right now, I am working on earning my FCCLA State degree. I have a true passion for volunteering. This year, I have documented over 150 hours of community service. Through FCCLA, I have grown my leadership, competition, and community service skills. I look forward to dedicating my time and energy to making a difference for every FCCLA member.
