Hi, My name is Hailee Cruz

My freshmen year I was shy and very quiet. I was terrified to give presentations in class and I just didn't feel like I fit in at school. My friend invited me to join FCCLA. I was hesitant at first but joining FCCLA has made a massive impact on my life. FCCLA has become my second home. FCCLA has taught me that I have a voice worth listening to. Through FCCLA I have gained the confidence to speak up about issues in the community while growing my leadership skills and learning what it means to be an active community member. I have seen the impact that FCCLA has had on my life so if someone asked if they should join I would say most definitely.
