FCCLA has changed who I am; it has since the moment I joined nearly three years ago. It's a slow subtle change that every member experiences, and if you blink, you might just miss a phase of it. I want to foster that change within other members, new and old. I want to help every member in the state unlock the potential that I know they have through various competitions and leadership opportunities. So, allow me to foster that development by serving as your Ohio Executive Council Member.
